

Labor-management committees

Safety is a joint effort at USPS.

Refer to *Handbook EL-809, Guidelines for Area/ Local Joint Labor-Management Safety and Health Committees*, for guidance and information. Joint labor-management safety and health committees must be established and function in accordance with collective-bargaining agreements.

Employee involvement in safety results in a safer, more productive Postal Service.

And that's smart safety!

For additional information or guidance, contact your safety office.
