

Employee Hotline Number

- Stay connected to your workplace.
- The toll-free USPS National Employee Emergency Hotline number is 1-888-EMERGNC or 1-888-363-7462. Save it in your phone and digital devices. In case of extreme weather or other emergencies, call the number to find out about facility closings and other workplace information.

Ensuring the safety of employees is a USPS priority.

And it's smart business.

Find out more about the employee hotline number on the National Preparedness homepage on our blue page.
