

## Gifts from Outside Sources

- Thanks, But No Thanks.
- While there are some exceptions, you cannot accept a gift given to you because of your job.

Our customers, suppliers, and the public should know that they will be treated fairly and professionally no matter what. Accepting gifts leaves the opposite impression. Declining inappropriate gifts is not only the law, it's smart business.

*Contact the Ethics Office ([ethics.help@usps.gov](mailto:ethics.help@usps.gov)) for more information about the ethics regulations addressing gifts.*
