

Ask First

- Don't use your Postal Service title for anything other than postal business, unless you've discussed it with the Ethics Office.
- Using your title in other settings such as teaching, speaking, or writing in your personal capacity may be a misuse of your position.
- Using your title for fundraising is always a misuse of your position.

Avoiding a misuse of your position preserves the Postal Service's reputation for trustworthiness and integrity.

And that's smart business.
