

## Safety Resource Tools

Safety resources in one location.

The Safety Resource Tools on the Blue Intranet contains links to safety information to help keep employees safe.

You can access:

- A – Z Safety Topics
- CARE Tracking Tool
- Safety Dashboard
- Safety Depends on Me videos
- Serious Accident Report
- Suspicious Mail

Access Safety Resource Tools at  
<http://blue.usps.gov/wps/portal/MyWork>

And that's smart safety.

For additional information or guidance, contact your safety office.
